

BUSINESS OF THE COUNCIL OF THE CITY OF HALF MOON BAY

AGENDA REPORT

For meeting of: **September 19, 2017**

TO: Honorable Mayor and City Council

VIA: Magda Gonzalez, City Manager

FROM: John Doughty, Public Works Director
Denice Hutten, Acting City Engineer

**TITLE: CONSTRUCTION CONTRACT AWARD FOR THE MAIN STREET PAVEMENT
REHABILITATION PROJECT**

RECOMMENDATION:

Adopt a resolution authorizing the City Manager to award and execute a construction contract for the Main Street Pavement Rehabilitation Project to the lowest responsive and responsible bidder, Half Moon Bay Grading and Paving, Inc. of Half Moon Bay, California, in the total bid amount of \$293,919.84, and approve an additional contingency amount not exceeding 10 percent, or \$29,392, of the contract award amount for potential change orders.

FISCAL IMPACT:

The FY 17-18 budget has allocated sufficient funds for this contract award, potential contract changes, project management, and construction inspection services. Funds are from a specifically identified Main Street Pavement Repair Project and supplemented from the Pavement Management and Traffic Safety Program.

STRATEGIC ELEMENT:

This action supports the Infrastructure and Environment and the Healthy Communities and Public Safety Elements of the Strategic Plan.

BID SUMMARY

The City received one (1) bids before the scheduled bid opening time and date of 3:00 p.m. on September 12, 2017. The bids and engineer's estimate are tabulated in Attachment 2 and summarized as follows:

Bidder	Base Bid	Total Bid
Half Moon Bay Grading and Paving	\$293,919.84	\$293,919.84
<i>Engineer's Estimate</i>	<i>\$266,931.00</i>	<i>\$266,931.00</i>

Half Moon Bay Grading and Paving has extensive experience and record of good work performance on various projects of similar nature within and outside Half Moon Bay and San Mateo County. City staff has reviewed the bid and determined that the bid is acceptable and free from significant material discrepancies.

DISCUSSION:

Portions of asphalt pavement along Main Street from Correas Street to the Main Street Bridge are exhibiting localized structural failure resulting in surface deformities and cracking. The areas of failure have been identified and marked, and are the subject of this base repair project. Portions of pavement will be cut and removed, the underlying base will be recompact and asphalt will be re-placed over the compacted base.

The pavement repair work will be performed at night, Sunday through Thursday, between 10:00 p.m. and 5:00 a.m. The work will require less than 10 working nights. Construction is scheduled to begin the last week of September 2017.

City staff will be posting public notices in advance of the project. One week prior to construction, staff will place a digital construction notification reader board on Main Street north of the Main Street Bridge. Staff will also post doorhanger notifications at businesses and residences along Main Street.

This project is categorically exempt from CEQA under section 15301(c) as a minor modification/repair of an existing street.

Half Moon Bay Grading and Paving Inc. of Half Moon Bay, CA was deemed the lowest responsible and responsive bidder. Staff recommends Council authorize the City Manager to award and execute the construction contract with Half Moon Bay Grading and Paving.
